

Full-Time Position Available

BN (Bachelor or Nursing) or Registered Nurse (RN)

The people who live in our nursing home are our former neighbors, friends, our parents and grandparents. There is huge satisfaction in giving care to those who have come before us, and our goal is to ensure our Residents are surrounded by compassionate and engaged staff.

We have 8-hour shifts, which, studies have shown, enable health-care providers enough time to recuperate and relax between shifts.

..AND you get to work in a 5-year old, 45,000 square foot facility with state-of-the-art equipment;

..AND you get to work with a leadership team who strive towards excellence, and a Board of Directors who know you are a critical component to the multi-disciplinary healthcare team;

...AND you get to provide day-to-day management to a group of diverse and enthusiastic nursing staff who provide care for 60 long-term care residents;

...AND you are supported in the design of creative solutions for Residents who are at various stages of their life journey, and who may require unique approaches to ensure their healthcare needs are met or exceeded.

Applicant must have:

- Current registration with New Brunswick Nurses Association.
- Available for all types of shifts (days, evenings, nights and week-ends).
- Must have a good attendance record.
- Must be willing to participate with the Management Team in forwarding-thinking care projects.
- Must demonstrate an aptitude for leadership, and the willingness and ability to work as a Team Leader.
- Adaptable communication and interpersonal skills.
- A Resident-Focused approach to care.
- Long term care experience preferred, but is not essential.

Please apply to Erica McCrea, Director of Nursing, VGM via email at don@vgm.ca. Interviews will be conducted via Zoom.
