VGM Residents and Families,

Due to the high number of potential public exposures of COVID-19 in the Perth-Andover area, we have decided to cancel all visitation, including off-site visits, effective immediately.

Visits to Residents receiving palliative care will be the only exception allowed, but we ask if you have been to one of the potential public exposure sites as described at https://www2.qnb.ca/content/qnb/en/corporate/promo/covid-19/potential_public_exposure.html, you refrain from entering the facility. These actions are necessary to keep all Residents and Staff as safe as possible.

Our Staff remain focussed on providing exceptional care for our Residents, and we are very thankful for their dedication.

This closure will be in place until further notice. We will inform you when we can begin visits again.

We want to thank you for your continued understanding and support.

Sincerely,

The VGM Management Team
