RE: Visits

Dear VGM Residents and families:

We would like to inform you that we have been cleared by Public Health to open for visits.

We will continue with the following:

- 5 designated visitors per resident
- Only 2 people may visit a resident at one time
- Please respect our residents by wearing a face mask for the entire duration of your visit and sanitizing the resident's room when your visit is done
- Please be advised: visitors may NOT eat or drink in the resident's room

Visiting hours will be 10:00 am to 6:00 pm daily

For 5 days after the return from an off-site visit, residents must eat and drink in their rooms and wear a mask if they enter other parts of the facility or have another resident in their room.

Thank you,
VGM Team
