February 8, 2022

VGM Residents and Families,

We are very sad to report that Public Health has informed us that we have become an exposure sight for COVID-19. As a result, we must cancel all visits, effective immediately.

Until we re-open, we ask that:

- You do NOT drop off anything off at the front door of the building. We will not be accepting flowers, coffee, snacks, or any other items.
- In the event a resident needs clothes, shoes, or other essentials dropped off, please leave it at the loading dock in the back of the facility with the resident's name clearly marked, where it will be isolated for 3 days before being given to the resident. If you intend to drop something off at the loading dock, please call 273-4885 ext. 0, to let us know when you plan on arriving.

We encourage you to set up virtual visits with your loved ones here at the Manor. Please call Nancy Baker, our Activity Director, at 273-4885 ext. 4895 if you wish to book a Skype, Facetime, or other type of call with a Resident. You can also email Nancy at activity@vgm.ca and Nancy will print it and give it to (or read it to) the Resident.

We continue to be very thankful for our wonderful Staff, who remain focussed on providing exceptional care to our Residents!

We will post another update as soon as we have additional information.

Sincerely,

The VGM Management Team
