VGM Residents and Families,

We are pleased to announce that visits to our Residents are resuming, as described below!

Indoor Visits in our Boardroom: Appointments are available before Christmas on December 22nd & 23rd. Indoor visits will be suspended from December 24-26 and from January 1-3.

Designated Support Persons (DSPs): regular 2-hour visits will resume for December 21st – 23rd, inclusive. On Dec 24, 25, and 26, we will be allowing only the DSPs to book 1-hour visits in the Resident's room. Our regularly scheduled 2-hour DSP visits will be temporarily suspended on those dates.

Off-Site Visits: Residents may leave the facility, and upon their return, they will not need to isolate. The Resident's departure must be booked in advance with the business office.

Palliative Care: visiting hours are from 10am – 8pm, and do not have to be pre-booked.

If you would like to book one of these appointments, please contact our business office Monday to Friday, 8:30-4:30 (507-273-4885 ext. 0).

We would like to remind everyone that all the above is contingent on our region (New Brunswick Region 3) remaining in the yellow phase of recovery. In the event of an outbreak, we may restrict our visits for the safety of our Residents. If you are living in an orange zone, we ask that you refrain from visiting the nursing home at this time.

Merry Christmas and Happy New Year!

Sincerely,

The VGM Management Team
