February 3, 2022

VGM Residents and Families,

We are pleased to inform you that Public Health has lifted our visitation restrictions.

As a reminder, each Resident or their Power of Attorney (POA) may choose up to 2 people who provide regular emotional or physical support to that Resident. These people are referred to as Designated Support Persons (DSPs).

As of Monday, February 7, 2022, DSPs will be allowed to visit Residents in their room, after completing a short education program.

DSPs may begin booking appointments starting on Friday, February 4, 2022 by calling 273-4885 extension 4985.

We would like to remind you of the following rules, all of which have been put in place for the safety of our Residents and Staff:

- We encourage guests to do rapid tests before arrival
- Guests must **wear a mask at all times** in the facility
- Guests may not eat or drink in our facility, as that would mean removing his/her mask
- If a DSP wishes to bring in food (home-made or purchased), drinks, other personal items to a Resident, please bring it to your visit. All other deliveries may be dropped off at the front office.

If you wish to book a Skype, Facetime, or other call with a Resident, please call Nancy Baker, our Activity Director, at 273-4885 ext. 4895.

We would like to thank everyone for your continued kind wishes.

Sincerely,

The VGM Management Team
